

Wilmington Senior Softball Board of Directors January 20, 2021

Gentlemen,

The WSSA Board has decided to move the 2021 Annual Meeting from February 9th to a tentative date of March 9th (with a back-up date of March 11). Due to COVID-19 protocols we are still limited in the number of folks who can gather both inside (10) and outside (50) at this time, see part of the directive below.

As set forth in the January 6, 2021 Secretarial Directive – No gathering should be larger than 10 people indoors and 50 people outdoors. Remember the virus can be spread in smaller gatherings as well, all North Carolinians should stay home and avoid gathering with individuals you do not live with.
