December 17, 2021 @ 1:00PM via Zoom

Participants:

Jay Harrington, President, Coastal Division
Norm Allen, Manager, Humana
Ed Dominelli, Manager, Carolina Sports Medicine
Mike Last, Manager, Carrabba's
Brian McCarthy, Manager, D&E Mitsubishi

Agenda:

1. The Coastal Division will be going back to the 375-compression ball next season as voted by the Coastal players - 32 in favor, 24 against, and 2 undecideds.
2. Infield fly rule will be in effect at the beginning of next season. The rule will be reevaluated by the Managers after the first month to determine if any modification will be necessary. Managers will discuss the infield fly rule with the umpires before each game to ensure all parties have a correct understanding. Managers will periodically review the rule with players.
3. Draft order for the 2022 Season:
 - First - D&E
 - Second and Third - Carrabba's/Carolina Sports - order yet to be determined
 - Fourth - Humana
3. Number of players to be protected by each team will be decided by the Managers once the number of returning players, new league players, and Atlantic/Legacy transfers is determined. The format for tryouts will similarly be decided once these numbers are known.
4. Extra-innings will be played as full regular innings with no runner being placed at 2nd base.
5. Jay will discuss with the Board how to determine a winner when games are stopped due to the Heat Index. The Coastal President or his designee will be the only person authorized to invoke a Heat Index stoppage.
6. Assistant Managers for the 2022 Season:
 - Humana, Darrell Davies
 - Carolina Sports, Mike Dolan
 - Carrabba's, Alan Gerberg
 - D&E, TBD

Respectfully submitted,

Ed Dominelli
