

WSSA
Board of Directors Meeting
June 30, 2020

Board members present: Walter Aaron, Charlie Backes, Mike Gallagher, Joe Newcomb, Skip Flynn, Tony Spataro, Gary Kohunsky, David Reardon

Others present: Harry Marriner (Webmaster)

The virtual (Zoom) meeting, was called to order at 4 pm primarily to discuss the board's response and actions regarding an Atlantic player's wife who was recently exposed to a COVID-19. The player had participated in Atlantic division practices before he and his wife knew of the exposure.

The board was in agreement that if a player tests positive for Covid-19, practices will then be suspended for the normal quarantine period of a minimum of 14 days. The player who tests positive may return only if he receives two negative test results.

The board also agreed that Walter will contact our local governments' health departments for guidance on how to proceed should any of our players in any division test positive for the coronavirus.

Discussion then turned to the resumption of Spring Training, scheduled for July 8 at Ogden Park where 2 fields will be used for the 1-day event beginning at 9 am. Rain date will be Monday, July 13.

The Atlantic division has requested that the WSSA purchase a storage box to be installed at Olsen Park. It would be used to store equipment and gear. Charlie Backes will contact the city parks personnel to determine if a box can be installed at Olsen Park and will also inquire about the logistics associated should the city approve the request. The board deferred acting on the request until word is received from the city and if there will be a 2020 season.

The board approved three nominees for 2020 induction into the WSSA HOF.

The meeting was adjourned at 5:35 pm.

Respectfully submitted,

Gary Kohunsky
WSSA Secretary/Procurement Officer
