Minutes of the Coastal Division Managers Meeting

Please respond to the challenge below in red

Tim Alexander	Patriots
Jerry Dowling	Carrabbas
Bo Cary	Jiffy Lube
Brad Van Amberg	Wilmington Ortho
Bill Barnett	Legends
George Scelzi	Tuggs

Chip opened the meeting by explaining each manager would have the opportunity to express his views on each topic prior to any vote. It also explained that all guests are encouraged to express their ideas on the topic under discussion, but the managers will be the only person voting on the issues.

The self rating system was reviewed by the managers, since the existing results has been tabulate the managers agreed to make adjustments as necessary. Several players have been adjusted by the managers to reflect the agreed view of the player performance.

For the sake of this meeting the original plan was to go 6 teams in the Coastal and 2 teams in the Legacy Divisions. The managers voted to move forward with a basic 6 & 2 Combination with any excess to be moved to the Legacy Teams. This will be known as plan A for the April 1, player placement. The B plan will be for straight 6 teams no legacy teams. If we have no legacy teams the headcount must increase with the full agreement that each team can have no more than 2 D rated players, This will allow all players to play ½ of every game or one full game during the double header. In addition two managers will need to retire from managing, this decision cannot be made until April 1 when we will know the actual headcount available to be used.

Managers agreed using plan A should support only 14 players per team. On the number of players to be protected each manager agreed to 5 plus the manager will be protected. During this meeting two exercises were conducted to test the process. The managers agreed to start the protection process now. After the first results were completed it was agreed that the Jiffy lube team was identified as the weakest and was allowed to select two players form any team where the players were not already protected, **CHALLENGE** – *This evening I received a phone call from the Ortho Wilmington team asking for consideration similar to what the Jiffy Lube team received. However, they are asking to be allowed to change one player not two. I am asking each manger to respond back to me with a yes or no vote to extend this courtesy to the Ortho Wilmington team,*

The following teams listed on the following page now have 6 protected players with the remaining 8 players per team to be selected on April 1, 2016, following the draft process using a clockwise selection with the 2015 team in last place picking first.

The following players have been protected and will be considered the core of these teams. Additional players will be added on April 1, 2016 when the draft is conducted
