

Coastal Managers Meeting

May 24, 2018

This meeting took place at Magnolia Greens Clubhouse dining room at 1 PM. In attendance were T. Spataro, T. Alexander, D.Davies, B. Walsh, A. Gerberg, and J. Kaplan.

A reminder to check the web site before 7:30 A.M. for a rain out determination was stated as sometimes it doesn't rain everywhere in Wilmington.

Solicit players for their vote on the 2nd and 3rd base run thru trial and document their vote before our summer break.

In the interests of expediting game time, enforce the existing on deck readiness rule by having the pitcher deliver and any pitch is a strike. Also, if a substitute runner is not readily available the game must move on.

New- if any one hits a home run over the fence, the requirement to run all bases is waived.

Rained out games in progress do not pick up where they left off. They are rescheduled as a any rain out would be if they don't meet the innings played criteria.

Clarification: If a runner clearly turns his shoulder to the left or is more than marginally to the left of the foul line, he is "Exposed" on his run past First base.

Reminder: We are scheduled for games this coming Tues and Thurs. following Memorial Day.

Borrowing players from another team: If a team doesn't have 9 players the team forfeits: A scrimmage is then encouraged. A team can borrow the 10th or 11th player from one of the two teams who are not their opponent.

The readjustment /trades for balancing scheduled for June 8th is postponed until after the completion of the first half. This will be kept to a minimum and very very few players will be affected. If players want to be traded or go to Legacy they need to talk to their Managers and let their wishes be known.

One team has requested that the substitute runner rules be restricted as it allegedly gives certain teams that have "speedsters" an advantage. This was rejected and the rules in place for substitute runners will continue.

Finally, the Patriots who have an abundance of pitchers and excellent game attendance by players, have agreed to assign Tom Halford to the Tugs who need pitching backup."
