

Coastal Division Managers Meeting September 25, 2018

The meeting was held at Denny's restaurant and began at 12:30 pm. In attendance were Billy Walsh, Darrell Davies, T.J. Alexander, Tony Spataro, and Jerry Kaplan.

It was announced that the annual WSSA picnic was cancelled and the golf tournament has been rescheduled by Walter Aaron to October 15 at the Castle Bay golf club.

A brief discussion was held and a reminder that e-mails with a negative connotation be cc'd only to those with a need to know.

The importance of roster integrity was discussed and Kaplan thanked all who were instrumental in accomplishing that.

There was brief discussion on next Spring's protection and draft numbers. It was generally agreed the "protected" players number would be historically high but subject to other unknown developments. Parity results justify this approach as well as an unusually high number of players who have indicated they want to return.

Gary K. will be asked to post League W-L standings based on the accumulative first half and partial second half results to-date. These are the final season records and will be used to determine seeding throughout the double elimination Tournament. These records are be posted on the Website.

Next week, Oct 2, we will have a non-standing, not-for-the record game scrimmage as the original schedule planned but at Ogden Park at 9:30 A.M. Thursday of next week will also be played there, Teams TBD.

We are anticipating at least 5 to 10 Legacy players will be needed to supplement the games. Chip, please advise players if they are interested.

Walter, please request from Tanya McGee, 253-2670 if we can use two fields on October 9 & 11 for a two-day tournament. Umpires will be needed for the Tournament.

Finally, winter practices and pickup games will begin in late October dependent on field availability. Managers please notify your players and have them keep an eye on the web site. Thanks for a great season, guys.

Jerry Kaplan
